

## **LORAIN COUNTY REPUBLICAN PARTY PLATFORM**

In addition to supporting the platforms of the Republican National Committee and the Ohio Republican Party (as of March 2025), the Lorain County Republican Party hereby establishes and embraces our seven plank platform stated below.

1. The United States is a constitutional republic wherein the rights of its citizens are granted by our Creator and guaranteed and safeguarded by the United States Constitution and the constitutions of individual states. We are committed to the protection and preservation of these rights in Ohio.
2. We assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed; and to achieve this status, we call upon the Ohio State legislature to enact legislation that establishes the preborn as a person.
3. The mission of the Lorain County Republican Party is to recruit, vet, assist and elect qualified conservative Republicans to local elected public office.
4. Privacy and property is a fundamental right of every American. We are committed to the protection of each citizen's privacy and property from intrusions by governments or other parties.
5. We assert the welfare of our citizens must be the focus of local governments and placed before the interests of government agencies, special interests or non-citizens who reside in Lorain County. We oppose granting illegal aliens sanctuary status or voting rights.
6. We support lawful law enforcement by our safety forces.
7. We support all efforts to establish fiscally responsible practices which create efficient government management with a focus on the elimination of mismanagement, inefficiency, fraud and waste. In the interest of full transparency we call for all Lorain County political subdivisions and taxpayer-funded agencies to publish all financial records online for public access within 30 days after each month end.

(This platform was adopted by the Lorain County Republican Central Committee on April 22, 2025.)
