★ ★ ★ ★ ★  
**OHIO**  
WELCOMES  
**DONALD J. TRUMP**  
45TH PRESIDENT OF THE UNITED STATES  
★ ★ ★ ★ ★

MAKE AMERICA  
GREAT AGAIN

A close-up photograph of two men smiling. The man on the left has short, light-colored hair and is wearing a light blue shirt. The man on the right has white hair, wears glasses, and is also smiling broadly, showing his teeth. They appear to be at an indoor event, possibly a campaign stop, with a dark background and some structural elements visible.

Proud to support Ohio's Fourth District!

Congressman Jim Jordan

Americans first. Period.

Congressman Jim Jordan

Support the troops when they're deployed.  
Support the troops when they're home.

Congressman Jim Jordan

President Trump is right. What's happening in Afghanistan is the "greatest embarrassment in the history of our country."

Congressman Jim Jordan

Democrats defund the police.  
And Joe Biden arms the Taliban.

Congressman Jim Jordan

America in crisis. Afghanistan in chaos.

Congressman Jim Jordan

The Taliban can tweet.  
But President Trump can't.

Congressman Jim Jordan

A close-up, profile view of Congressman Bob Gibbs, an older man with white hair, wearing a light blue dress shirt and a patterned tie. He is speaking into a black microphone held in his right hand. The background is a plain, light-colored wall.

The president's remarks are a week late and simply do not square with reality.

Congressman Bob Gibbs

When we see clear violations of the oath entrusted in elected officials, it is time to consider our constitutional duties.

Congressman Bob Gibbs

Inflation has steadily increased ***every month*** since President Biden took office.

Congressman Bob Gibbs

# Secure the Border.

Congressman Bob Gibbs

President Biden has violated his oath of office and must be held accountable.

Congressman Bob Gibbs

China is salivating at the prospect of bringing Afghanistan into their sphere of influence.

Congressman Bob Gibbs

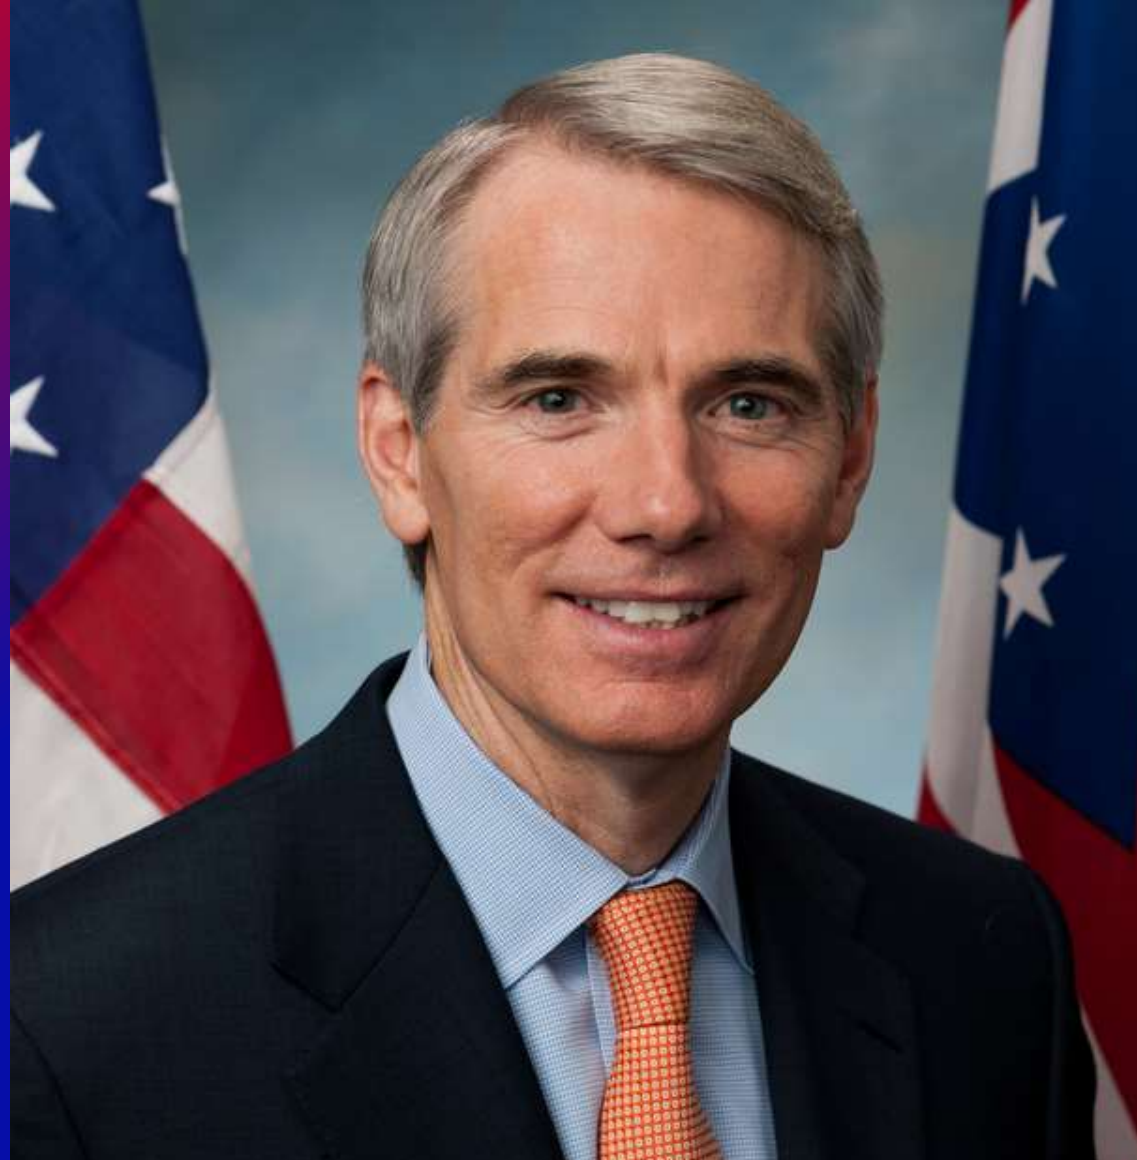

Biden's policies are affecting everyone.
